SUMMARY

A dedicated and results-oriented final year IT graduate from the University of Ruhuna with a strong foundation in software development, mobile application development and IoT systems. Skilled in Android development, REST API integration and software engineering practices, with practical experience gained through a one-month internship at Codveda Technologies. Demonstrated strong communication, teamwork and problem-solving skills, with experience in research presentations and leadership through AIESEC. In addition to human resource management knowledge, combines technical expertise with organizational and people management capabilities. Eager to contribute to innovative technology-based solutions by continuously learning and growing as an IT professional.

October 2025

- ◆ Jayathissa, K. E. D., Vinmuthu, J. L. K., Dilshani, D. M. S., & **Madushani, K. G. R.** (2025). Next-Gen IoT-Enabled Smart Car Parking System with Automated Slot Detection. Author, p. 46. Published in Rasas

PROJECTS

- ◆ IoT Smart Car Parking System (2024 | Group)
- ◆ Weather Recommendation App (2025 | Group)
- ◆ Vehicle Management Web System – Mahiyangana Pradeshiya Sabha (2025–2026 | Group)

TECHNICAL SKILLS

- Programming & Development: Java, Basic Angular, React.js, Android (Java & XML)
- Mobile Development: Android Studio, UI Design (XML), API Integration (OpenWeatherMap), Firebase
- Web & Emerging Tech: HTML, CSS, IoT Concepts, Basic knowledge of MongoDB
- Tools: Git, MS Project, Microsoft Office, Canva, Visual Studio, Power BI, WordPress
- Concepts: OOP, SDLC, UI/UX Basics

SOFT SKILLS

- Leadership – AIESEC marketing & oGV B2C Team Leader, YS 6.0 OC MKT OCVP
- Communication – Strong verbal & written skills
- Teamwork – Experience in projects & collaborations
- Time Management – Managed studies & leadership roles
- Problem Solving – Mobile app & IoT solutions
- Critical Thinking – System design & research analysis
- Adaptability – Quick learner in new technologies

INTERNSHIP EXPERIENCE

May 2026 – June 2026

Web Development Intern

Codveda Technologies

- Completed a one-month Web Development internship.
- Gained hands-on experience in web development and software engineering practices.
- Strengthened problem-solving, communication, and teamwork skills.
- Awarded an Internship Completion Certificate for successful program completion.
